

# WE'RE HIRING

## Environmental Health Specialist 2 (underfill EHS1)

### ABOUT US

At Marion County Health & Human Services, we envision a community where all people have opportunities to live healthy, purposeful lives. As our Environmental Health Supervisor, you would play a key role in making this dream a reality.

### ABOUT THE JOB

MCHHS's Environmental Health program has a long history of protecting the health of the community through inspections of licensed facilities, surveys of community drinking water systems, and responding to animal bites. This is an entry level position that will join a team of environmental health professionals based at our Salem office.

### ABOUT YOU

The ideal candidate for this position will have the right education, but may not have the experience needed to achieve registration as an environmental health specialist in Oregon. More information about Oregon requirements is available on the Oregon Environmental Health Registration Board website.
