

NOVEMBER 13TH 2018

ANTIBIOTIC RESISTANCE

6:00-7:30 PM, RLSB Room 2S060

As future health professionals, it is up to us to prevent antibiotic resistance.

Join us for free food and an opportunity to learn more about antibiotic resistance from a multidisciplinary view.

Attending this event fulfills IPE credits!

A multi-disciplinary panel will include:

- Public Health Physician,
- Infectious Disease Pharmacist,
- Infectious Disease Hospitalist,
- Veterinarian, and
- Internal Medicine Physician among others!

**Ask questions to
a multi-
disciplinary panel**

Watch a TED Talk!

**Interact with
students from
other disciplines!**

Free food!

IPE Credit!
