

# 29<sup>th</sup> Annual Molecular Parasitology & Vector Biology Symposium

Wednesday, May 1, 2019

The Georgia Center, University of Georgia, Athens, GA

Center for Tropical &  
Emerging Global Diseases  
UNIVERSITY OF GEORGIA

## Symposium Highlights:

- 4 Alumni Spotlight Talks
- 10 Oral Presentations
- 50+ Poster Presentations
- Full Catered Lunch

The Molecular Parasitology & Vector Biology Symposium is a day-long interactive conference on parasites and host/parasite interactions. This regional symposium routinely draws 200+ attendees from many departments at UGA and colleagues from other institutions in the southeast.

**Abstracts Due:**  
**Friday, April 12, 2019**

As CTEGD is celebrating its 20<sup>th</sup> anniversary, 4 outstanding alumni have been invited to give spotlight presentations throughout the day in addition to 10 oral presentations from graduate students, postdocs, and senior scientists.

This event is free but registration is required. For more information visit:
