**LEARN. CONNECT. GROW.**

## **Monarch Hotel and Conference Center - Clackamas, OR | April 5, 2019**

Every 2.5 minutes someone in the U.S. is diagnosed with lung cancer while more than 33 million Americans suffer from lung disease.

Patients, caregivers and healthcare providers are invited to join the American Lung Association to learn about the latest in treatments, medications, resources and research in lung cancer and other lung diseases to help those living with lung disease lead healthier, active lives.

### **PATIENT EDUCATION PROGRAM**

Our patient educational track is designed for adult lung disease patients and their caregivers to give them the confidence and tools they need to stay connected and become advocates for their own healthcare.

**Time:** 9:00a.m. - 2:30 p.m.

**Cost:** \$10 (before 3/5/19) \$15 (after 3/5/19)

*For those that find the registration cost to be a financial hardship, please contact Tiffany at 503-718-6141.*

### **HEALTHCARE PROFESSIONAL PROGRAM**

Our professional agenda is developed to keep health professionals current on the latest research, trends, recommendations and treatments on lung cancer, COPD, asthma and other respiratory issues so they can better support their patients. Continuing education credits will be available.
