

Practice Experience Timeline

Practice Experience Starts

If you have any questions contact your coordinator.

Weeks 1-4

Portfolio and Presentation

Make sure your portfolio is keeping up with the work, and that it addresses the competencies. Start working on your presentation to be presented during finals week.

Weeks 6-9

Presentations

For those who have finished their practice experience they will be giving a 20 minute oral presentation on their experience.

Finals week

Week 5

Midway report - 1Q

If you are doing the experience in one quarter then your midway report is due week 5!

Week 10

Midway report due - 2Q

If you are doing the experience in two quarters, then your midway report is due week 10 of the first quarter.
