

**March 2022 Report**  
**SPH Professional Workforce Development Committee (PWDC)**  
**OHSU-PSU SPH/ORPRN**

**Objectives:**

- 1. Invest in infrastructure** and provide administrative support to ensure systems are in place for PWD activities over time
- 2. Collaborate with internal and external stakeholders** to create valuable programing, including being culturally sensitive and responsive to evolving community needs, and to prevent duplication of efforts.
- 3. Provide valuable PWD activities** involving dissemination and adaptations of evidence-based practices to local contexts; mentorship; structures to support new skill development and application; and opportunities to network and build community capacity.

**Of note:**

- 1. Next PWDC meeting April 6, 11:00 am**
- 2. CEPH site visit April 25-27<sup>th</sup>**

**Summary of Activities:**

Project	Progress of activities in quarter	Challenges/Support needed
Staffing	Hired [Redacted]. Considering pulling staff for summer projects.	none
Consultant (goal to hire by June 1, 2022)	Interviewed 5 consultants. One more interview scheduled for 3/18. Should have recommendation to Committee by next month.	<b>Will be asking for support on who to hire April 6.</b>
Coalition (meeting quarterly)	Held meeting Feb 7 with 9 attendees beyond SPH. Drafted charter. Next meeting scheduled for May 3. In process of recruiting a few more partners.	none
HE ECHO (Launch W23)	Co-funded by OHA. Working to identify OHA liaison. Having conversations with coalition	Would like consultant hired before get too far into planning.

	members about audience and narrowing topic.	<b>Would like feedback from committee on audience and clarifying/narrowing topic.</b>
Preceptor ECHO (Launch S23)	Conversations with Marion County and attended region 2 coalition meeting.	none
Online training	Informational meetings underway with coalition partners to better understand existing offerings.	Finding ways to identify “just in time” trainings and valuable topics for PH workforce.  <b>Would like feedback in future on topic areas, identifying stakeholders in the workforce, and narrowing scope.</b>
Database	Preliminary database structures created for existing trainings and PH partners.	In Fall 2022 will need support narrowing what offerings to include in database.
Website management	Goal to schedule meeting with new webmaster by July 2022.	none
Marketing plan	To be created based on audience identification for online trainings.	none
Protocol for SPH Participation on Boards	Drafted	<b>Will need school’s feedback on what is realistic for current workflows</b>
