

**Aug 2022 Report**

**SPH Professional Workforce Development Committee (PWDC)**

**OHSU-PSU SPH/ORPRN**

**Objectives:**

- 1. Invest in infrastructure** and provide administrative support to ensure systems are in place for PWD activities over time
- 2. Collaborate with internal and external stakeholders** to create valuable programing, including being culturally sensitive and responsive to evolving community needs, and to prevent duplication of efforts.
- 3. Provide valuable PWD activities** involving dissemination and adaptations of evidence-based practices to local contexts; mentorship; structures to support new skill development and application; and opportunities to network and build community capacity.
