PHE or approved electives (8cr)	PHE or approved electives (8cr)	
<i>Students wanting to earn a PE teaching endorsement for Secondary Education need to take the classes listed below***</i>		

*****PE Teacher:** PHE 417Adapted PE, **PHE 340**Motor Learning, PSY 311 Human Development (*these courses can count toward the 8 PHE electives*)

Must have 180 credits to graduate of which 62 must be upper division.

C- or higher is required for all coursework in the major.

Credits at admission	Requirement	2021 and earlier catalogs	2022 catalog
0-59	SINQ	Three SINQs	Two SINQs
	Cluster	Cluster must link to one of your SINQ courses	Cluster and SINQ are not required to be from the same theme, but it is recommended
	RESR	Not applicable	Two RESR designated courses
60-74	SINQ	Two SINQs	Two SINQs
	Cluster	Cluster must link to one of your SINQ courses	Cluster and SINQ are not required to be from the same theme, but it is recommended
	RESR	Not applicable	Two RESR designated courses
75-89	SINQ	One SINQ	One SINQ
	Cluster	Cluster must link to one of your SINQ courses	Cluster and SINQ are not required to be from the same theme, but it is recommended
	RESR	Not applicable	Two RESR designated courses
90-134	SINQ	Not applicable	Not applicable
	Cluster	Cluster must link to one of your SINQ courses	Cluster and SINQ are not required to be from the same theme, but it is recommended
	RESR	Not applicable	One RESR designated course
135 +	SINQ	Not applicable	Not applicable
	Cluster	Not applicable	Not applicable
	RESR	Not applicable	One RESR designated course

All students must complete a Capstone course to graduate along with the above University Studies Requirements

BACHELOR OF SCIENCE

Minimum of 23 credits

Science (1 year of science - 10 credits
min of which 6 must have a lab)

_____ Lab
_____ Lab
_____ Lab

Arts and/or Social Science (10 credits
min)

Math (3 credits min. of college level)

BACHELOR OF ARTS

Minimum of 23 credits

Arts and Letters (10 credits min,
3 must be from Fine & Performing Arts)

Social Science/Science (10 credits
minimum with 3 from science or math)

Math or Science (min. 3 credits)

Foreign Language

(203 or higher, 3 credits minimum)
