

## MSW and MPH - Health Promotion Track Dual Degree Curriculum MSW Portland Campus Option and the School of Community Health

Students in the MSW/MPH Health Promotion track will need to complete at least 120 credits, which consists of 69 Social Work credits and 51 Public Health credits. (See sample course map below.)

In this sample course of study, Public Health coursework will count for 10 credits of MSW requirements as follows: PH 524 Introduction to Biostatistics (4 credits) will count as SW 551 in the MSW foundation research sequence, PHE 517 Community Organizing (3 credits) and PHE 519 Etiology of Disease (3 credits) will count as six elective credits. The 9-credit MSW three-course advanced practice concentration sequence will count toward MPH elective credits.

### Sample Course of Study: MSW/MPH – Health Promotion Track

There are 19 shared credits. Note that MPH course scheduling may vary; this course of study model and courses may be re-sequenced. Please check with each department to determine the year’s schedule.
